GETTING STARTED

Let's Get Going!

To Start the Booking Process:

1. If not currently logged in, please go to:
<https://privilegesredemptioncenter.com> and log into your existing account.
2. Click the “Shop” button.
3. After the list of resorts is loaded, you can scroll down to view available resorts based on the default month, which is usually 2 months out from the current month.
4. You will notice resorts that show “FROM \$0”, which are resorts with no additional charge and are covered by your certificate. Other resorts will show a price, and these prices are your cost above what you’ve already paid. The resorts with a price showing are considered upgrades, and the prices are often significantly below retail rate.
5. The marked out number (Example: \$2,184) next to each “Explore” button is the retail rate for a stay if you booked through a retail provider or directly through the resort. To view only resorts with no additional cost or upgrade charge, use the “PRICE RANGE:” filter at the top of the page. Slide the price to the left down to \$0.

FAQ

Q: Can I coordinate with other certificate holders for a “group” booking?

Group bookings with other certificate holders are not allowed under the terms and conditions of this certificate program. Attempts at group booking may result in your reservation being canceled.

Q: I don’t see the specific resort where I would like to stay. Why not?

Resort availability, available dates, and room options are all subject to availability. There are multiple resorts available at any given time with no additional charges, and the availability changes regularly. If you don’t see a resort or room available you may choose to wait and see if it becomes available, but keep your 12 month booking timeline in mind.

Q: I’m having an issue with activating my certificate. Who do I contact?

Please contact the concierge line at (833) 337-2318. If there is an issue with your certificate or authorization number, please reach out to the organization that supplied you with the certificate with the details of the issue you are having.

Q: I’d like to speak to someone on the phone instead of using the booking portal website. Is that an option?

Absolutely! Please contact the concierge line at (833) 337-2318.

Q: I received my certificate from a nonprofit organization as part of a fundraising event or campaign. Who do I contact with payment or tax questions?

Please contact the nonprofit organization directly.
